Mary Beth Gill bought Tom his 1946 MGTC in 2002 and made him one happy camper! It is white with a sexy red interior. Why does he always have a big grin on his face when he is driving?

A native of Amasa, MI. and the ninth child in a family of 11 kids, Tom found the love of his heart, Mary Beth in Port Clinton, OH. She was a cheerleader in high school and has been using those skills to encourage little people into adulthood. She was a pre-school teacher at Bright Beginnings for 12 years and for the past three years a sub-teacher for Hernando County. Tom has been a Systems Engineer for Kentrox for 11 years. He is involved in telecommunications; wide area and local area networks. This gives him an opportunity to travel extensively. They have two beautiful daughters, Jennifer, age 27 and Sarah, age 23. Their house is in a whirlwind right now as plans are under way for Sarah's wedding on June 3rd.

Tom and Mary Beth moved here in 1986 and we are all glad they did!
